

To the Inhabitants of Darlington, Clarke, Manvers, and Cartwright

As the year 1867 is rapidly drawing to a close, bringing with it the long winter evenings, when the chief pleasures of life are found by the glowing fireside, we wish to impress upon you the fact, that the family circle is rendered more profitable and entertaining by an ample supply of choice and agreeable reading matter. Literature of all kinds is so remarkably cheap that every family may, and should, have their weekly paper or monthly magazine. Ignorance in this country and age is a disgrace. Now, while we still maintain our character as a "Variety Store," by keeping a little of everything, at the same time we give special attention to our News Department; and we make no vain boast when we say that we are second to none in these Counties in this branch of business. We attribute our success wholly to the special care taken not to disappoint subscribers in their papers or magazines. We subjoin a list of the most popular publications that are constantly found upon our tables; but do not suppose that because the particular magazine or paper that you desire is not in it, that therefore we cannot get it. We will supply any periodical published, or any book in print. "Music hath charms to still the savage breast; and we always keep on hand a choice selection of sheet music, to suit every taste. Orders received at all times, and supplied as soon as possible. We also keep Melodeons, Violins, Concertinas, Accordions, Flutes, Fifes, Tin Whistles, and Jews-harps, with instructions for most of them. We have every variety of Ladies' and Gentlemen's Paper Collars; and can "cuff" all that come, in the newest and most fashionable styles. Our Room Paper and Window Blinds comprise a large variety of beautiful patterns and at lowest rates. Our Cutlery we get made at Sheffield; and we have in stock at present 80 dozen Pocket Knives, ranging in price from 7 cents to \$2; also, Carving Knives, Butcher Knives, Table and Tea Knives, Razors, Scissors, Electro-plated Spoons & Forks, Tea Trays of the most beautiful designs and superior quality. Our English Skates, manufactured by Moulson Bros., the best skate makers in the world, are open for inspection; and a better or a bonnier lot never met the skater's admiring gaze. We have the works of Scott and Cooper at 12½cts. each number. We have Bibles, Prayer Books, Wesley's Hymns, and Sabbath School Libraries. We have Shakespere's complete works at 35cts.; Byron's at 20cts. Of our toys we need say little. Every one knows what an assortment we had, and what bargains we gave *last* Christmas. The "Variety Store" being Santa Claus' headquarters, we expect large consignments in a few days. We have a large case from Glasgow, which will shortly be opened. In our general goods, such as Writing Desks, Work Boxes, Albums, Combs, Brushes, Jewelry, Satchels, Fancy Buttons, Day Books, Ledgers, Inks, Note Paper, School Books, Ledgers, &c., we offer as good bargains as any House in Town. To the aged we offer a splendid lot of Spectacles: we can suit all sights. About Christmas we expect bound copies of Sunday Magazine, Good Words, Leisure Hours, Sundays at Home, and 100 copies yearly volume of British Workman and Band of Hope. Band of Hope supplied to Schools and Clubs: 20 copies for one year \$2.50, post free. Weekly Globe to any Post Office in the Dominion for one year \$1.35. Weekly Leader to any Post Office in the Dominion for one year \$1.50. As we are anxious to have all our clubs made up before the 1st of January, we hope you will send in your orders at once
